Art Requirements

We accept MAC or PC versions of art.

All art must be vector/original art, created in Adobe Illustrator version CS6 or less, saved as an .EPS or an .AI file, with all fonts converted to curves. If the artwork includes a photographic image, the image must be submitted as a 300 DPI at actual print size. Please note that we are limited to using files that are 900MB or less. Files which are too large to be emailed may be submitted, at no charge, through Wetransfer.com
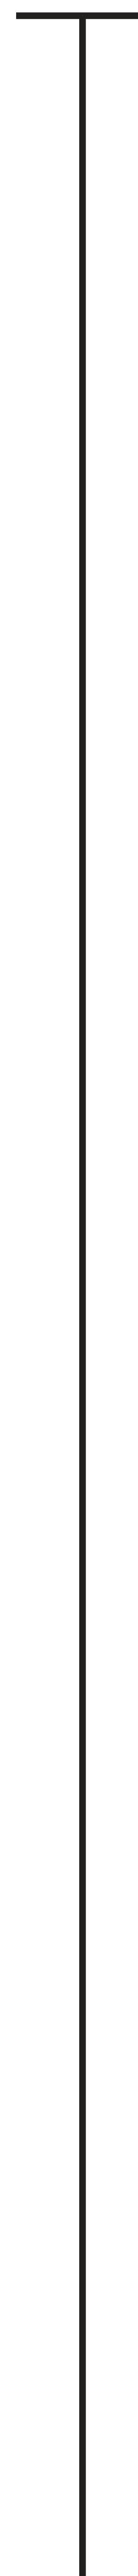

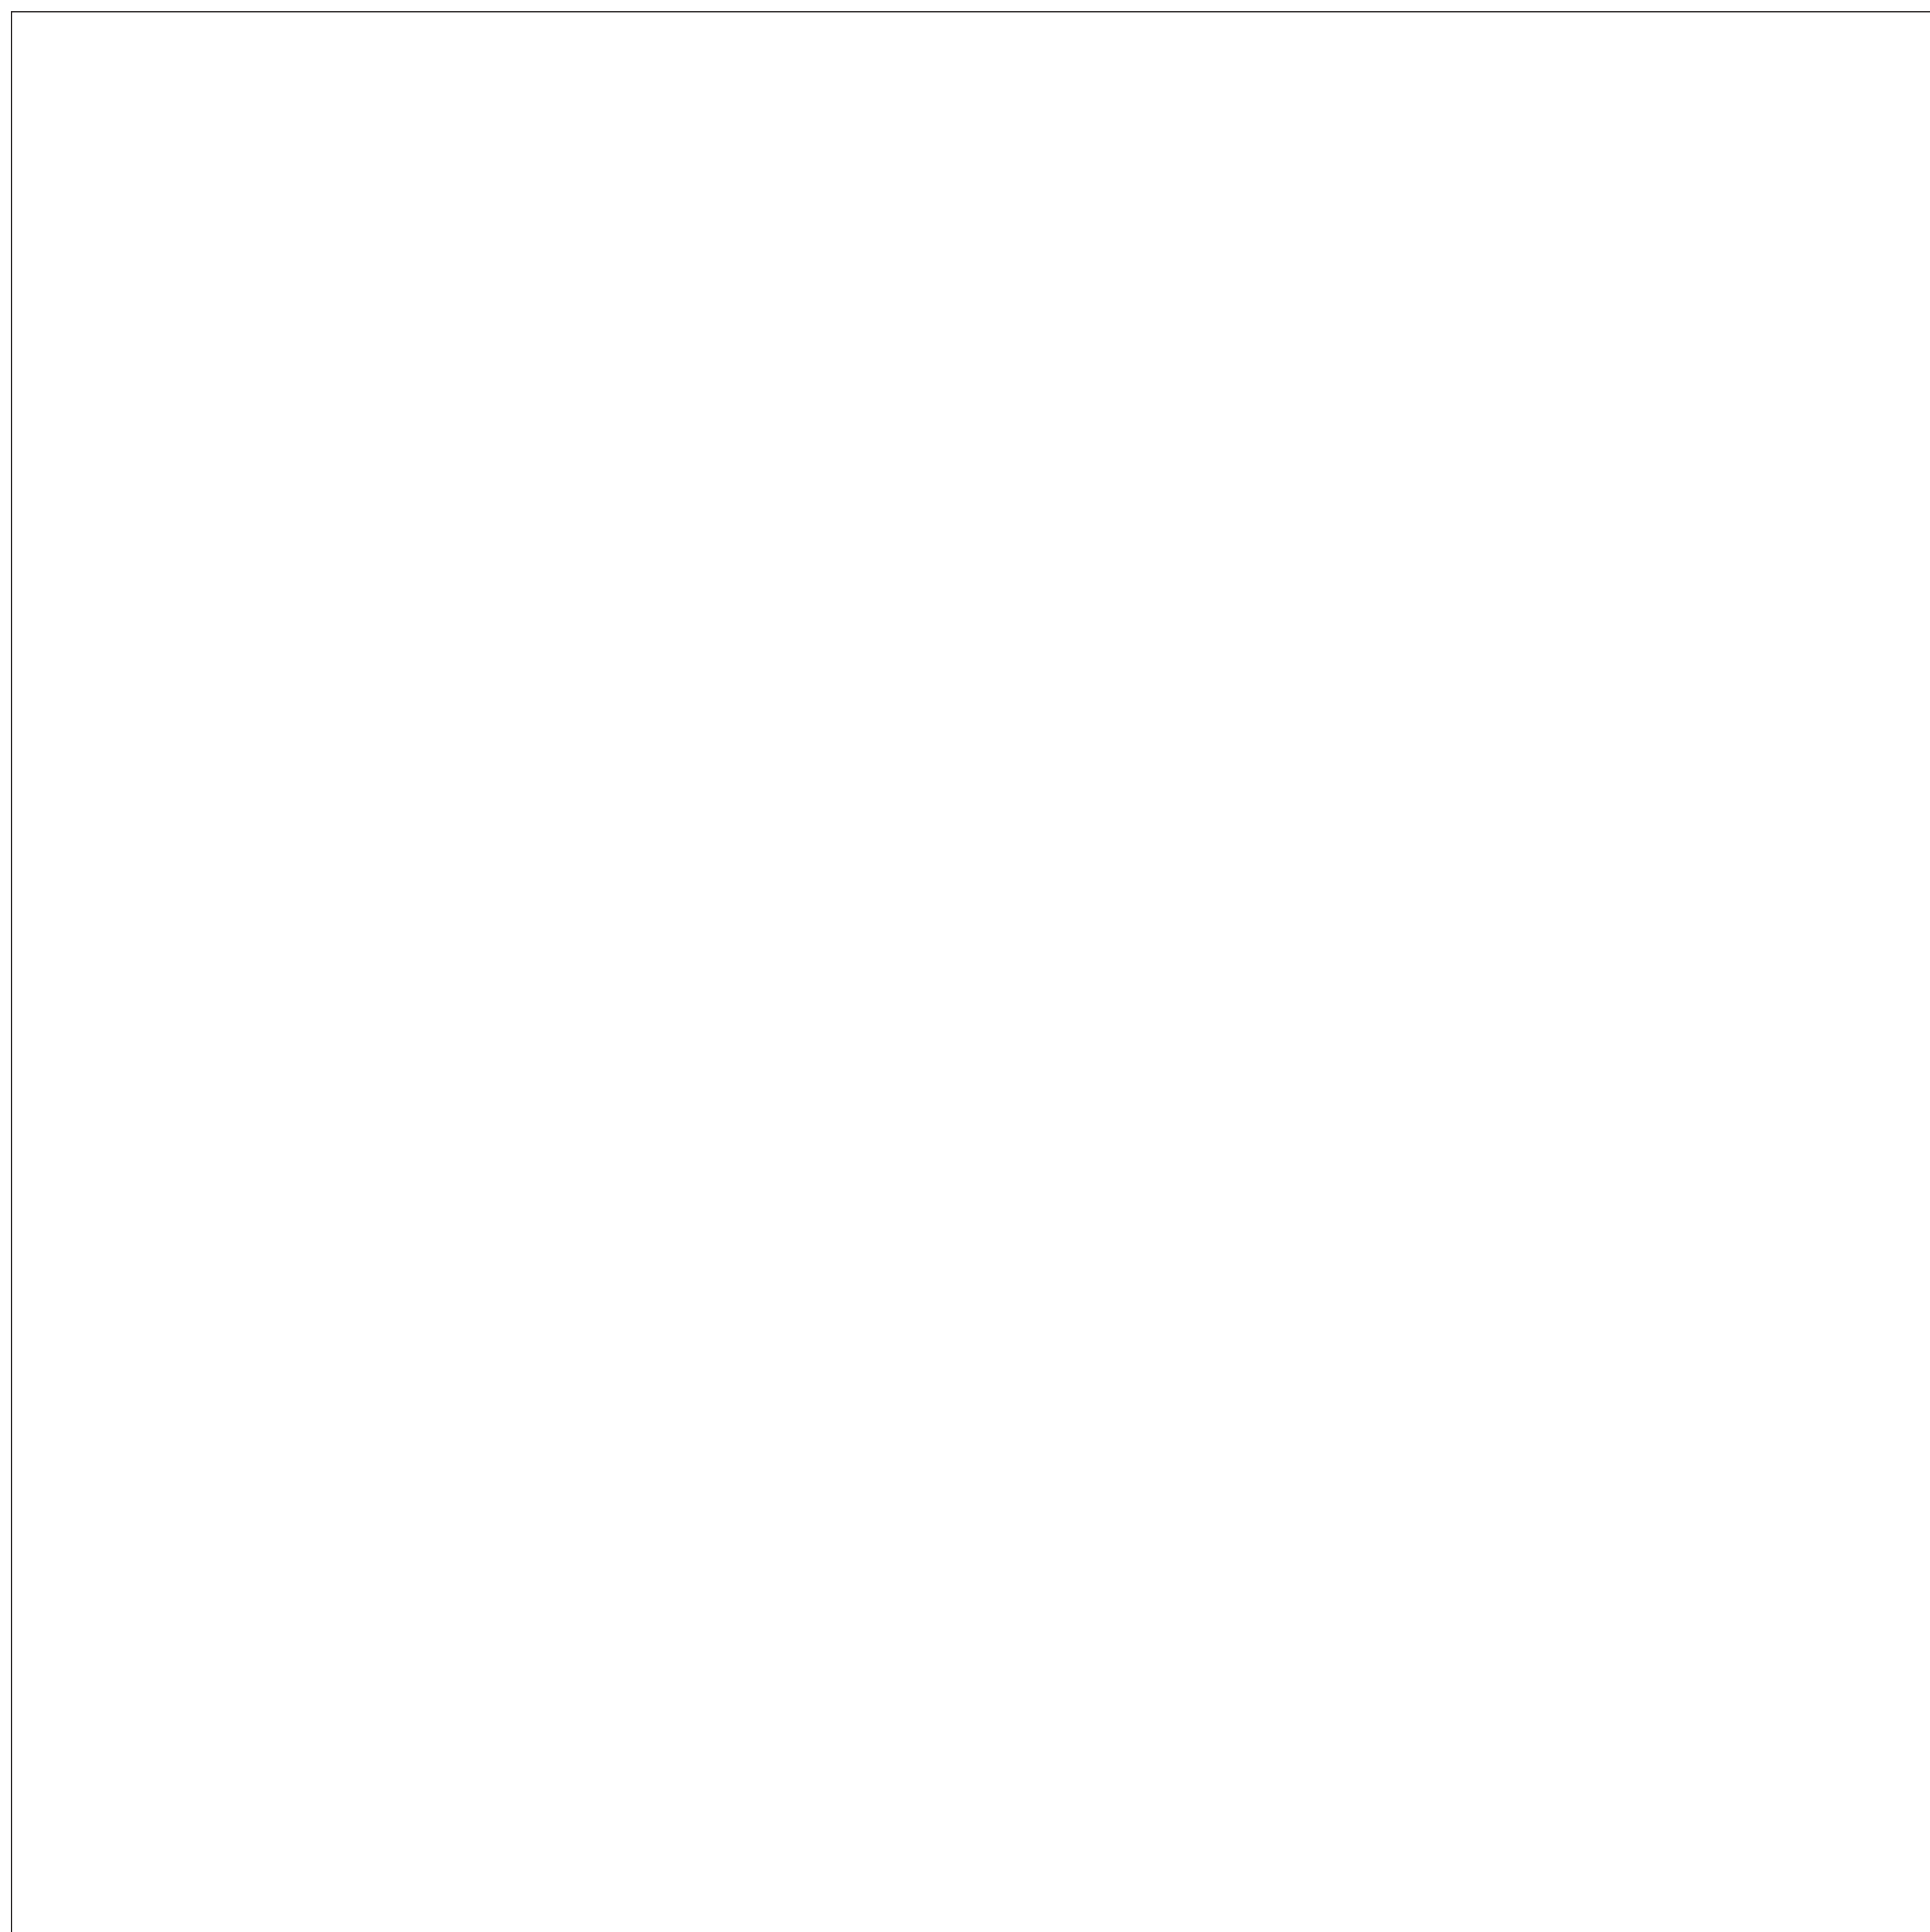

(If possible, when supplying or creating the file, please submit the file in CMYK mode.)

(Note: PDF files may be useable but must be reviewed first by our Art Dept. to assure quality)
